## RENT A TOLL ® AND VWA PARTNER TO PROVIDE CUSTOM RECEIVABLE MANAGEMENT SOLUTIONS

*Rent A Toll entered into a preferred marketing and servicing agreement with Vengroff Williams and Associates, Inc. to provide customized receivable management solutions.*

Plano, Texas - September 18, 2007 Rent A Toll®, the leading travel and technology innovator providing electronic toll solutions for car rental agencies, corporate fleet managers, vehicle leasing companies, and car renters, today announced a preferred marketing and servicing agreement with Vengroff Williams and Associates, Inc. to provide customized receivable management solutions.

“Vengroff, Williams & Associates (VWA), is a leading provider of innovative and proprietary business process outsourcing solutions for Fortune 1000 corporations and fast growth companies,” said Rick Welch, President and CEO of Rent A Toll. “We are very excited about our new partnership with VWA after an extensive search for a collections outsource company that can provide customized solutions for our clients. VWA clearly demonstrated its ability to utilize proprietary technology and best-in-class customer service to custom-design a collection process for our clients that will complement our electronic toll solutions.”

“We are delighted to be partnering with Rent A Toll, a leader in electronic road tolling technology solutions,” said Joe Vengroff, president of Vengroff, Williams and Associates. “Teaming with Rent A Toll to provide its growing client base with VWA’s Order to Cash

solutions will have an immediate impact on customer service as well as on ROI. We look forward to a very successful venture with our new partner.”

Rent A Toll, Ltd is currently deploying its Pass 24® electronic tolling solution nationally with Dollar Thrifty Automotive Group, Inc. and has introduced service in Dallas, Houston and Denver. Pass 24 provides car renters unlimited use of the toll roads for a 24-hour period for one low daily fee that is included in the car rental receipt. No other charges are added to the rental receipt after the rental car is returned.
